

## **A Personal Announcement of Clarity From Me...VGP 1-17-26@1:37 PM**

I have something to say. Please hear me. This includes the doubters, the mockers, the scoffers, the skeptics, the pretenders, the haters, the liars, the envious, the gossipers, the true, the false, the kingdom of darkness and all of Heaven as well. This is not a challenge but an announcement of clarity given in the love and authority of Jesus Christ.

Those who desire.....

To see me fail

To shut me up

To twist my words

To shut me down

To push me backwards

To defame my name

To call me a liar

To mock me openly and in secret

Who calls me of the devil...which by the way was just like the Pharisees did to Jesus Christ, so I'm in the greatest company of all...just saying.

Those who have deliberately placed and are still trying to place stumbling blocks in my way.

Those who have caused emotional scars and even bodily harm.

Those who spew hatred, while professing to love and serve my lovely Lord Jesus Christ.

Those who have made it their lifelong pursuit to tear this ministry and me down.

And all the others not mentioned here.....

I have an announcement that I think you should hear. So, take notice and maybe, just maybe it will finally bring clarity in your understanding about me in Jesus Christ's Name.

Though I've been battered and bruised.

Though weary and worn at times.

Though lied to, lied on, stolen from, manipulated by so-called friends and family who came bearing gifts that were trojan horses in disguise.

Though my generosity, love and friendship has been abused.

Though struck physically in my body time and again by the enemy's hands and schemes.

Though oftentimes I've been belittled and told, "You're not good enough. God would never use someone like you. You're not hearing from Him.

Though many times I have endured the onslaught of doubt spoken over my life and this ministry.

Though you did your very best in all these things, I say this in the love of Jesus Christ.

Take a long...hard...good look, because I'm still standing.

I'm not going anywhere, but up in Him who my soul loves.

I'm still learning, but your actions have made me wiser.  
I'm not going backwards, but actually forward.  
I'm not the tail, but the head.  
My faith has increased tremendously in the power of my lovely Jesus Christ's Name.  
I now know I can and will do all things through Christ who strengthens me.  
My love has not grown cold as you supposed, but is now deeper and stronger for my Lord.  
Though struck down in my body time and time again, you failed, you could not and cannot kill me. Because God holds the power of life and death in His hands, not you.  
My Lord Jesus Christ protects me and is healing me from that which is said to have no cure.... Again.

You could not kill my faith.  
You could not steal my joy.  
You could not crush my hope.

Though you continually defame me, twist my words, mock me, lie about me on your own platforms, I've watched my God turn it around. As people now became curious because of your cruel, harsh, lying tongues were driven to see and listen for themselves what my lovely Jesus Christ was speaking through me to share. With many, I say, many letters being received saying that it was not as they were told about me or this ministry. Through all this they're now learning to pray and war in the spirit realm in Jesus Christ's Name by the things that I've been sharing.

This, in case you don't know, is a Romans 8:28 moment by the hand of my God and Lord Jesus Christ. Let me clarify, for you, it's not anything found in me, but all my lovely Jesus Christ's doing.

So I'll say it again, I'm still here.  
You have failed in your mission to destroy me.  
I'm still standing.  
I'm still breathing.  
I'm still believing.  
I'm still working for the Kingdom of God.  
My faith is still growing with each new step I take in my lovely Jesus Christ.  
I'm still reaching out to the lost and seeing them accept Jesus Christ in their hearts as their Lord and Savior.  
I'm still casting out demons in the power of Jesus Christ's Name.  
I'm still sharing the gospel of Jesus Christ every time the Sweet Holy Ghost Spirit leads.

Tell me, scoffers, haters, doubters, whiners, skeptics, liars, Pharisees of today, enemies of God, the confused and so-called pretending Christians of the world, do you read the Word

of God? Do you really know it as you profess you do? I ask you this, Are not these works the evidence of the Holy Ghost in a true child of God that's being displayed in my life and this ministry? Are not these the signs that are to follow someone who is filled with the Holy Ghost Spirit and are believers of Jesus Christ like you profess to be. What's following you? Even in the Word of God, these signs followed disciples and apostles too. We see this still evident throughout history and in modern days also. Let's let the Word of God be the judgement of truth in these matters in the fruits being seen.

Therefore, I say to those who have chosen knowingly or unknowingly to be an enemy of this ministry and me.

I forgive you.

I love you.

I thank you, because without your part, with my faith and trust in my lovely Jesus Christ I would not have grown so exponentially in Him. Thank you again.

I hold no animosity toward you.

I feel sorry for you.

I'm concerned for your souls...those this applies to.

I'm still praying for you in Jesus Christ's Name.

I do not judge you or the choices you choose to make. That is something for Father God in Heaven and Jesus Christ to do. But let me remind you again since so many seem to forget, His Word also says, Vengeance Mine, saith the Lord, I will recompense. I leave them in Your hands Daddy God.

Now let me bring you further understanding on a few other important details, so there's no misconceptions or misunderstandings.

I'm not called to be popular or liked, I'm called to share the truth of Jesus Christ.

I'm not here to promote myself, or this ministry, but Jesus Christ alone.

I will not embrace or accept that which is contrary to the written Word of God.

I will not conform to the ways of men and women of this world, nor demons and devils that's contrary to the word of God.

I will not compromise, for anyone.

I will not sit down.

I will not shut up,

I will not be backed up.

I will not back down

I will not give in.

I will not give up in Jesus Christ's Name, because my strength is not my own, but His.

You cannot buy me, or own me, because I'm not for sale. I belong to Jesus Christ.

You cannot entice me with this world, because there's nothing here I want more than my lovely Jesus Christ.

You cannot stop me if what I'm doing is God ordained. In the end we shall see, now won't we?

I will not heed to doctrines of devils or seducing spirits that are contrary to the Word of God.

I will take no man, no woman, no spirit's word in anything, including the interpretation of the Word of God when I'm led by the Holy Ghost Spirit to study it out for myself, knowing He will teach me as a Word of God says He will.

I will try, test, discern and pray about everything as the Word instructs us to do.

I do not fear you, and I will never fear you ever, nor will I doubt the power found in Jesus Christ, His Name, and His Blood. He is all powerful, you are not.

To all who played a part in helping me grow closer to my lovely Jesus Christ, whether you intended it or not, thank you again.

So, to those who are an enemy by choice or not, I say, Go ahead and continue to speak lies, speak doubt, twist my words and such like if that's how you choose to be, and watch my God work all things for My Good and also for His true children. You will not stop me and I shall continue to help my true brothers and sisters in Jesus Christ and reach all the lost He places in my path for the glory of Father God in Jesus Christ's Name, because He's greater than all of you. I shall continue to pray for you.

Now for you, kingdom of darkness, I must say, you have failed again by the hand of those you used to attack me in South Carolina. Lu lu, you really messed up this time in choosing them to do your dirty work. Luke 8:17, Lukye 8:17, if you learned anything from all times that I've been speaking, it should have been this. Luke 8:17 shall always prove true, bringing everything to light in Jesus Christ's Name. Why? Because it is the Living Word of God that does not return void to Him. Aren't you getting tired by now of losing? Jesus Christ will always be the winner.

I do not fear you lucifer, lu lu, or your whole filthy kingdom, because my God is bigger, better, stronger, wiser, quicker, smarter, greater, than you.

A word of warning to you and your kingdom, including those of human flesh. It's very well possible, if you keep on, my God just might make another public spectacle of you and your whole kingdom...all of you.... just as He did before. His Word says, Touch not My anointed and do My prophets no harm. Guess what? I'm His daughter bought and paid for by the Blood of His Son Jesus Christ. That means, the Holy Ghost Spirit which is the Anointing, lives inside of me. That makes me one of His anointed. Now, do you finally understand? Do you finally get the picture? I'll let you think about these things for a while. For all who took the time to listen or read this announcement of clarity from me, thank you again.

Now for me, I give this over to Father God in Heaven in Jesus Christ's Name.

Daddy God, You can take it from here. I have done as You told me to do, so now once again I'm going to hide in the shadow of Your wings. You handle it Daddy God as only You can.

I will daughter, I will. Stay close to Me daughter, I've got this.

I know You do Daddy God, I know You do. I love You. I love you too My daughter of Mine.
