

A House Divided Cannot Stand 2-16-26@10:04 AM

When you step out for the Lord Jesus Christ then many people will rise up against you. Especially if you're already wounded and weak. But God is faithful, always faithful. (Deuteronomy 7:9) Since I started this journey I have come into a sweeter, closer relationship with Jesus Christ but the persecution has been unrelenting. In this time I have had many people claim they have received words from Father God and Jesus Christ that I am a false prophet, sending them out to whoever will listen, never trying, testing or discerning these things as we are called to do. (1 Thessalonians 5:21; 1 John 4:1) They say I work in witchcraft. They profess to love Jesus Christ yet their actions are bitter and cruel. Some have turned their own platforms that are supposed to encourage, uplift and spread the gospel and love of Jesus Christ into a good majority in attacking me personally. I have been accused of having a demon manifest because of an injured eye, yet the person was only pointing to one eye. All who deal with casting out demons know that when they manifest or surface it shows in both eyes. Why does the body of professing believers not search out these things and allow themselves to be entertained and deceived? I choose to forgive them all in Jesus Christ's Name and can even say with an honest heart, "I love you in Jesus Christ."

Where is the love of Jesus Christ in the so-called body of Christ? If you think someone has erred, aren't you supposed to pray for them asking Jesus Christ to help them? Do you not go to them and try to help them? If they're wounded, then why kick them down further? My heart is grieved but so is our lovely Jesus Christ. I have known of many people that have done this to me directly and indirectly, but I have not pointed out the majority of them. I have only spoken about those that have risen against this ministry and myself when led by the sweet Holy Ghost Spirit to help bring some understanding and such like to help my brothers and sister in Jesus Christ in similar situations. There have been 2 that I can think of currently since I have begun sharing these dreams and such like in 2019. I still will not point these others out because if they are true children of God then I don't want to cause further harm to the body of Christ. I choose to forgive all

I am a daughter of Heaven. I have accepted Jesus Christ into my heart as my Lord and Savior. His precious Blood has washed me clean of all sin. I have become an heir with God and a joint heir with Jesus Christ. (Romans 8:17) Why then if I have repented of any wrongs does the body of Christ and other so-called prophets of God... something I have never called myself... say they have received words that I am after money? Why criticize and bring railing accusations because my understanding of the Word of God may not be exactly what they have been taught or understand? Why do they not take time with Jesus Christ and in His Word and study these things out? Why not ask Him for His truth and let the Holy Spirit lead them to it, whichever it may be instead of stubbornly saying I'm right and she's wrong? Does that give the right to post words before reaching out to try to talk to that person? I can be reached by mail. All access is not closed.

James 5:19-20

19 Brethren, if any of you do err from the truth, and one convert him;

20 Let him know, that he which converteth the sinner from the error of his way shall save a soul from death, and shall hide a multitude of sins.

Does not the Word of God say if you have an aught against someone to go to them? Yes it does. At least still in the KJV version I have been reading for years. Yet the body of Christ instead chooses to try to destroy one of their own under the guise of 'sounding the warning' and reprove the unfruitful works of darkness as Ephesians 5:11 says to do. And we are called to do this but only under the instruction of the Holy Spirit and how the Word says it should be done.

Matthew 5:22-24

22 But I say unto you, That whosoever is angry with his brother without a cause shall be in danger of the judgment: and whosoever shall say to his brother, Raca, shall be in danger of the council: but whosoever shall say, Thou fool, shall be in danger of hell fire.

23 Therefore if thou bring thy gift to the altar, and there rememberest that thy brother hath ought against thee;

24 Leave there thy gift before the altar, and go thy way; first be reconciled to thy brother, and then come and offer thy gift.

Those of you who think I'm doing this for the money you are greatly in error but I forgive you. There's no amount of money that could pay for all I have been through. The fake prophetic words came flying out from other 'prophets' when the gofundme donations grew in number. If you were truly of God you would have known these funds were received to assist the victims of Helene where we sent funds to North Carolina, Tennessee and Florida. Some of these donations were publicly posted on the My Lovely Jesus Ministry Facebook, Telegram and YouTube community posts locations and can be found by doing a search. In addition multiple donations have been sent to Agape Orphanage. So, in love I ask, what spirit were you listening to when you received these words when the proof is in the donations? Some can still be pulled up like those I shall share shortly. Plus I still have emails and receipts but Jesus Christ my love knows all this. I love you and forgive you.

I forgive those who have repeatedly issued words in the Name of my lovely Jesus Christ and Father God accusing me of a love of filthy lucre and mammon. Remember you always have to love your enemies and forgive them. You give an account to Father God for every action and word you speak so walk in a godly way and not like this world. It's called accountability and integrity....doing what's right when no one is looking because God always is. This is how my son and I choose to live with Jesus Christ's help.

I forgive those who say I'm operating in divination and witchcraft. It would do good to study the Word of God on these matters before speaking. Because the Word of God says a house divided shall not stand and satan cannot cast out satan.

How am I able to cast out demons in the Name of Jesus Christ if I am not operating in the power of the sweet Holy Ghost Spirit? Why am I getting continual letters thanking me for teaching them how to war in the spirit and how their prayers are now being answered whereas before very few were? Is this not showing fruits of the Holy Ghost? Why would I receive letters thanking me for encouraging them to learn to try and discern the spirits as the Word of God says or of telling me how they are digging deeper into the Word of God and now have a closer relationship with Jesus Christ and Father God if not by the Holy Ghost Spirit inside me? It's all Jesus Christ. It's not me,

it's all Him and His sweet Holy Ghost Spirit. Would not this be working against satan's kingdom dividing it and causing it to fall?

I forgive those who say I'm operating in divination and witchcraft. It would do good to study the Word of God on these matters before speaking. What does the Word of God say? The Word of God says a house divided shall not stand and satan cannot cast out satan.

Mark 3:25-30

23 And he called them unto him, and said unto them in parables, How can Satan cast out Satan?

24 And if a kingdom be divided against itself, that kingdom cannot stand.

25 And if a house be divided against itself, that house cannot stand.

26 And if Satan rise up against himself, and be divided, he cannot stand, but hath an end.

27 No man can enter into a strong man's house, and spoil his goods, except he will first bind the strong man; and then he will spoil his house.

28 Verily I say unto you, All sins shall be forgiven unto the sons of men, and blasphemies wherewith soever they shall blaspheme:

29 But he that shall blaspheme against the Holy Ghost hath never forgiveness, but is in danger of eternal damnation.

30 Because they said, He hath an unclean spirit.

Matthew 5:24-26

24 But when the Pharisees heard it, they said, This fellow doth not cast out devils, but by Beelzebub the prince of the devils.

25 And Jesus knew their thoughts, and said unto them, Every kingdom divided against itself is brought to desolation; and every city or house divided against itself shall not stand:

26 And if Satan cast out Satan, he is divided against himself; how shall then his kingdom stand?

Please note that the warning was given about blasphemy of the Holy Spirit because they call the spirit Jesus Christ was operating in as unclean. This means an evil or demon spirit. If I am in reality operating in the Holy Ghost Spirit or another true child of God and you call the Holy Spirit within us the spirit of divination or any other demon spirit, you have just called the Holy Spirit inside us this and what did the Word of God just warn about this?

Psalms 105:15 Saying, Touch not mine anointed, and do my prophets no harm.

Anyone who has accepted Jesus Christ into their hearts is sealed by the sweet Holy Ghost Spirit who then lives inside them. Be careful, please be careful from throwing around casual words and accusations. Seek these things out in Jesus Christ's Name. Try, test and discern them as we are all called to do.

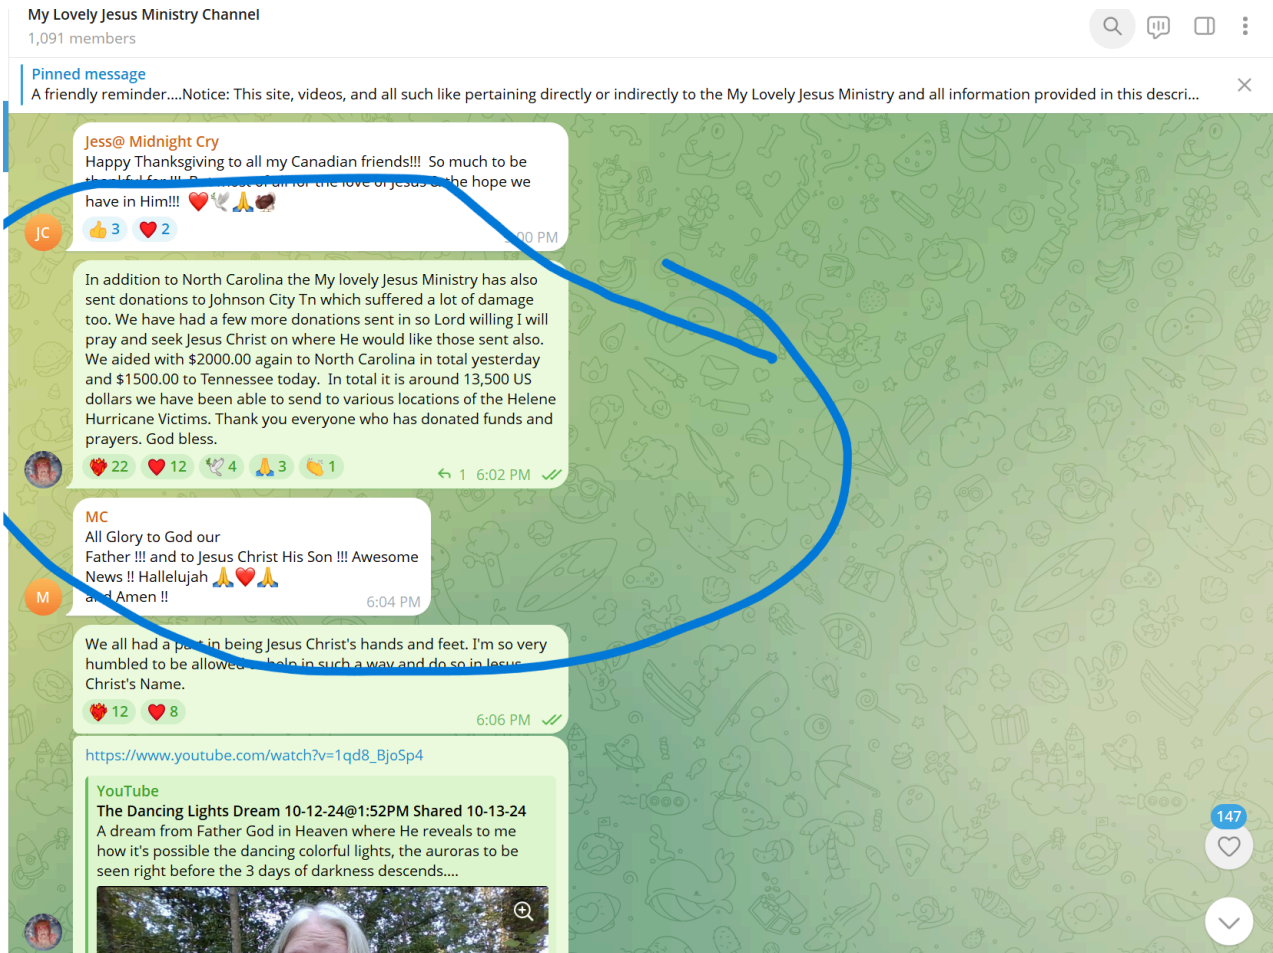

Additional note:

This is why I call Jesus Christ my spiritual husband as in my provider for those thinking I have lost it. Please study these things out before you speak and cause yourself to be in error. I love and forgive you in Jesus Christ's name.

Isaiah 54:5 For thy Maker is thine husband; the Lord of hosts is his name; and thy Redeemer the Holy One of Israel; The God of the whole earth shall he be called.

Hosea 2:16 And it shall be at that day, saith the Lord, that thou shalt call me Ishi; and shalt call me no more Baali.

Study it out for yourself. Ishi means 'my husband' and Baali means 'my Lord.'

Hi again Emily

The first donation of \$5000.00 has been made as well as \$500.00 separately to aid with your fuel needs unless Jesus Christ leads you to use it differently. This is all because of Jesus Christ and His children being obedient to what they are told to give. The same with me. It has nothing to do with me but everything to do with Jesus Christ and His great love for people.

Lord willing I will be soon sending the other \$5000.00 donation. God bless.
