

I Send Derailment, Reckoning Day & 144,000 Warning 10-13-26@5:00 PM Shared 10-14-26

I'm here my Lord Jesus Christ, I'm here.

Daughter, I send to your world the time of derailment. Derailment of supplies. Shipping issues from the churning seas, the water's deep. Shipping issues across the land from storms, flooding, shaking and quaking, and lack of petroleum-based fuels in your nation and world.

Daughter, hear what I say and speak My words boldly. Reckoning Day has come as I bring forth now upon your once great nation violent storms on land and sea destroying the playground of so many locations for those of lucifer's kingdom.

I'm about to strike the heart of Los Angeles, California and all will be astonished and shake their heads at her destruction even before evil Manhattan is destroyed by Judgment's hand. So many fear what they call, 'the great earthquake' that shall break off much of the land from California. The inhabitants of California and this world should be fearing the holy judgment of a Righteous God who no longer refuses to let the cry of the innocent, the poor, the abused, and the murdered go unpunished.

I strike with a fist of fury into the belly of your nation's evil wicked Babylon city of Las Vegas. A twister of a shaking, a roaring of a thundering, a combining of more than one storm of epic nature and of different kinds I send your way Las Vegas and neighboring areas. I see what you do in the night. I see the enslavement with so many people through your wicked devices but more so for the slave trade you no longer keep hidden below ground. I come for you in holy justice.

A flurry, a flurry of activity of various natures I send to Calcutta. I see what you do to those who are Mine.

A lashing, a lashing of another kind I send to the cattle reserves in wicked evil Babylon-America that really belong to the council of 13 and the grandmasters of the secret societies. But those who are Mine or whose cattle shall aid Mine I spare. I call for these to be hidden when the enemy begins sweeping the lands for food to take for their leaders and their military forces.

Come, I said, let's reason together. Repent of your sins because if you don't My hand will fall heavy and hard upon you and when judgment is in the earth some will finally repent and turn from the wicked ways, then be spared the eternal Lake of Fire. In the end all is done so those on the earth who My Father is drawing to Me can make their choice. Choose Me, choose eternal life, or choose sin and lucifer's kingdom and burn with the rest in eternal torment and flames.

Daughter, I bring you this warning again. The enemy is trying to find you to destroy you and try to stop you from becoming the promise of 'end time witness.' Just as they are systematically making attempts on those who are called to be one of the 144,000. Yet, I have moved My hand of protection. They shall not succeed.

So many of Mine who are really called to be one of the 144,000 have foolishly let this information out, joining with others declaring to be one also. They have deceived them as they

try to glean precious information from those they have befriended. For many of My 144,000 this has caused them to endure many more battles, as I speak with each one and teach and lead them, preparing them for what is to come.

But Daughter, there's so much deception surrounding My 144,000.

When I teach, when I lead, if I or My Angels take you somewhere during the night or day hours, you do not come back exhausted and feeling like you have been drained. This Daughter is a sign that spirit travel has occurred but it's been by the enemy's hands when they know they have been somewhere and the draining it is not caused by a stressed body and mind. Also, when I give a dream or even more than one, Daughter as you know from experience, you do not feel tired or drained. This is another sign of enemy involvement.

There was a reason I warned My 144,000 not to reveal who they are. In addition, Daughter, the 144,000 will be in glorified bodies. Very little training will they need, except in some weaponry but all are powered by My Name for I am the Captain of the Host.

Deception upon deception. My seal has went out, but the final sealing of the 144,000 will be after I have returned and the earthquake has occurred. Then they will be sealed with the seal of My Father that gives them their commission, rank and tribe. For some do not know or misunderstand correctly which tribe of the 12 tribes of Israel they belong to.

Only one of the 144,000 will have their rank and commission during the 3 days of darkness and that is the high captain, high priest of the 144,000 of the Redeemed Warriors of Light. All the others will be working for the same purpose and same mission, reaching the lost still in the darkness. My holy Angels shall work with them side by side helping and training them in this first holy mission together.

My 144,000 are not to be left on the Earth but shall be part of My Bride. They will be ready. They will not be denied the privilege and honor of the marriage feast for it written all who are ready for My return shall be those there.

Now Daughter, I strike into the outer shores of Russia. Trouble in the waters and oceans deep. Trouble that shall also of another nature reach Babylon-America's Alaska.

Do you understand now Babylon-America and O world, you really, really aren't ready for the righteous judgment I bring? As I churn further the seas, shake further the land, send more delusions of rain and floods while I burn up so much more.

And I have only just begun.

Snow, snow in record amounts comes falling down watch and see O world. It's going to be a cold, cold, cold bitter winter just wait and see. And extended one, I say before I unleash the sun's full force to scorch by fire much of the profitable land that still remains.

Look, look to Ukraine and Russia. Can you not see that Zelinsky will not bow out and refuses to be removed? As he begins unlocking the blackmail secrets to give himself the upper hand and advantage. This shall cause Putin to become enraged and his response upon Ukraine will be brutal. So watch for those yelling for his removal to suddenly give him a second chance by their words or actions. Watch the money flow and you will see the truth of all I speak.

Netanyahu, Netanyahu that evil snake shall not be rivaled for his position if there's no one left to challenge him. Look for Judah to fall.

Cast your eyes upon the British Empire now called the United Kingdom and the UK. Though loyal to lucifer and the man of sin, you shall soon find betrayal at your front door because your strength and power cannot be allowed to rival that of the beast's, the antichrist to come. He has decided to reduce your empire by violence and force. To survive the UK shall align with the eagle when she has been attacked by Putin's first strike on the eagle as I've spoken time and time before.

With the murder of the queen who landed on the dinner table of many as an offering to lucifer, it shall not be Charles but a son that shall rise up. But in the end he will align with the antichrist having secretly secured a position and is chosen to be one of the 10 kings to come.

Woe, many woes have come Daughter to your world. Time is no more.

A thousand days is like one in Heaven it is written. Yes, but not in the counting of days and time. One week, which is 7 days, this world was created. Yet, also the world only has 7 Days of life. One day equals a thousand. So this is why it is written how one day is like a thousand. 7,000 years equals 7 days for the Earth. Yet 7 Days also equals one week in heaven. My millennium Reign shall be the day of rest for the Earth.

Time does not exist when counting like men counts even for Us on the earth. So let Me say Daughter from My last word spoken through you, no man, no fallen angel, no computer, no demon, no calculation of any kind or by anyone without My Holy Spirit's knowledge can know what I meant by My 12 seconds. This Daughter answers your question.

For I am God, My ways are not the ways of those who inhabit the Earth, nor can the angels that fell know exactly the amount of time or the number of days left on the Earth. Because by Father's command, partial memory of these events and calculations on their part and in their record keeping has been forever removed.
