

## **Tick Tock No More, Darkness Descends For 3 Days 12-12-25!8-18 PM**

Hi, this is Vicki Guilford Cornell. I've come to share a word I received from our Lord Jesus Christ, my lovely Jesus Christ. Today is 12-12-25.

I received this word at 8-18 p.m. today. Let me say, if you hear any noise in the background, my family is here. It's not demons, it's not evil spirits, it's my family.

Just saying. Okay, this is titled Tick Tock No More, Darkness for Three Days Descends. I'm asking you to take this to Jesus Christ in prayer or don't.

It's up to you. But we are called to try, test, and discern all things. And I pray and ask Jesus Christ, please let them do this.

It's for your own benefit, for your own sake. I'm not just up here blowing steam. I care.

I care about my brothers and sisters in Jesus Christ. I care about you being obedient to this holy word. This is our love letter, our roadmap.

This is our guideline, our plummet line. And if we're just doing the parts we want to and we're just accepting part of it, we're being disobedient. And that leads to sin, and disobedience is sin.

And that leads to an open connection with the kingdom of darkness, having access to your life. I do care, and I am concerned about the body of Christ. Let's pray.

Father God, I come to you in the name of Jesus Christ, Holy Spirit. I submit to you, I surrender to you. Your will be done.

Jesus Christ, I pray this in your name, John 14, 13, 14, whatsoever I ask in your name, you will do so that Father will be glorified. And whatever I ask in your name, you will do, Lord. And I know this is when I pull it all together from your word, not just taking one scripture, but pulling it together.

It gives us the answer that when we live a holy life, a pleasing life, which is possible, or you would not have said, be ye holy for I am holy. Lord Jesus Christ, you do not put upon us the impossible tasks, because you go with us in all things and nothing is impossible for you to do. You live inside us, you go before us, you go behind us.

I pray Proverbs 3, 5, 6, trust in the Lord with all thine heart and lean on to thine own understanding. In all thy ways, acknowledge him and he will direct your path. Lord, I pray this over the body of Christ.

I pray Ephesians 1, 17 through 19, give us clarity, understanding, revelation. Father God, unclog our ears. Unclog our mind, Lord.

Yes, unclog our mind. And anything we have been taught incorrectly, whether on purpose or

not on purpose, Father God, get it out of us. Get it out of us and let's be willing to let it go.

What good is truth with deception? I'll say it again. I refuse to compromise on the word of God. And I'm not asking people to compromise their belief.

I'm asking them to get in the word of God, study these things out for themselves and learn the truth themselves instead of depending on everybody else to give them the answers or to give them the understanding of what the scripture means. There's nothing wrong with having a good pastor, a good preacher that's really a child of God or a teacher to help you, but you still need to take everything that's been said back to the Lord Jesus Christ in prayer and study it out. We're told to study the word of God in 2 Timothy 2, 15.

Study it. It's not a suggestion. We are being instructed.

And these men wrote the word of God. It says under the leading the instruction under the unction with the Holy Spirit, telling them what to write. So if we choose not to do these things, we are in a violation of what the word says to do.

We're being disobedient. Give us understanding and wisdom and a heart to chase after you, Jesus Christ. Now, Lord, there'll be no retaliation, backlash, interference, spying, monitoring, any evil action at all ever for what I do here to glorify you, Father God, in Jesus Christ's name, directly, indirectly, randomly in all your existence, launch an understanding, Father God, of what then we can or cannot do.

I stand on Job 22, 28. When you decree a thing, it is established. I make this a holy decree in the power and authority of Jesus Christ and given to me as a child of God.

Oh, and by the way, Father God, I guess you might say I had my feathers ruffled today when I was hearing how people were saying that Mark 10 through the end, chapter 16, Mark 10, verse 10 on down to the end was not on all the scrolls. So they're saying it's not all the word of God. And so where it says, believers shall lay hands on the sick, they shall cast out demons and all this, they're saying does not apply.

Yes, it does, because Matthew 28 also talks about making disciples and going out. But it also tells us in the word of God, how the disciples were sent out and cast out demons. You're not getting around it that easy, devil.

The word of God will stand forever. In my understanding, Father God and Jesus Christ had put in the word of God exactly what they wanted before man started trying to take it out and do all these things. But I was like, seriously.

And I know there's different Bibles that point out, and I do read the KJV, but I'm not illiterate and I'm not unaware of what's going on in other things. But what broke my heart is people were defending it. Since this is not in all the scrolls, they stopped at verse 9 in Mark 16.

And most likely these other parts are written in by someone else or they were not part of the original. So even if you take that out, you can't take the rest of it out. You can't take where Matthew says in 28 to go out, preach the gospel, make disciples.

What were disciples? Those that followed Jesus Christ. What did they do? Raised the dead, healed the sick, cast out demons. They operated in the power of the Holy Ghost Spirit.

So it still applies. It still applies. This is what should follow the believers of Jesus Christ as it did already.

So Lord Jesus, give us wisdom. Give us wisdom. I'm going to stand by what I believe unless you show me otherwise.

Everything you wanted in this Word of God before they start taking out, including the Apocrypha, all these things, Father God, you put in there. So I'm leaving it at that. I give you praise, Lord.

I give you praise. I give you praise. I give you praise.

I give you praise. And I thank you, Holy Spirit, because as soon as I heard that again, I hadn't heard it in a while. So I kind of left it.

You brought up my mind. The disciples went out, they healed the sick, sent them out two by two. He sent 70 out two by two.

And they cast out demons, healed the sick, all these things in Jesus Christ's name. Even after Jesus Christ rose from the dead, we see Peter heal the lame, the lame man at the gate of beautiful. We see how Paul turned around, cast out the demon, out of the woman, the slave girl with divination that was going behind them, saying, these are true men of the Lord.

It's not a thing of the past. Oh, Lord, I give you praise. Yeah, it kind of riled me up, Lord, in a holy way.

So Jesus Christ, but I thank you, sweet Holy Ghost Spirit. Verses after verses, just click, click, click, click, show me that, hey, this still applies. This still applies.

This is here. This is there. This is there.

I am so grateful for you, my teacher, my comforter, my counselor, Holy Spirit, John 14, 26, 1 John 2, 27, the anointing, you are this and so much more. Now, in the name of Jesus Christ, every attack that the enemy would try to send out, physical, spiritual, combined, those with familiar spirits, those with bewitchments, charms, enchantments, illusions, illusions, mirages, clerics, mysticism, druidism, and all that garbage chaos, you are hereby bound, and those cords cut to your attacks. Standing on Psalm 129.4, I believe in backing everything up with the Word of God.

And that's what I'm doing when I pray, and I'm utilizing the Word of God too, because I have the power of Jesus Christ in me, the power of Jesus Christ's name, His authority, and the Word. So, Lord, I give you praise for that understanding. So, in the name of Jesus Christ, I bind the demons that's attached to all these attacks, staying on Matthew 18, 18, and Matthew 16, 19.

But Matthew 18, 18 says, What shall we bind on earth to be bound in heaven? What shall we loosen on earth to be loosed in heaven? So, I bind these demons, and I cast them into the abyss of grievous torment and heavy burdens, and request that they be held until the time that they're thrown into the lake of fire. Oh, and by the way, if children of God are not supposed to cast out demons, you need to go back through history and see how many has been cast out in this later age. There's many men of God, even women of God, that cast out demons.

Why? These signs shall follow the believers. It is the power of the Holy Spirit working in us. It's the Holy Spirit inside us.

I thank you, Lord, for that revelation. Now, Lord, Revelation 6 is what I stand on for everlasting change, and I bind these demons and do the authority because Matthew 28, 18 tells me all power, Jesus Christ is saying all power has been given to me in heaven and earth, all power, all power. And then you turn around and say Luke 10, 19, even before then, behold, I give unto you power to tread upon serpents and scorpions and over all the power of the enemy, and nothing shall by any means hurt you.

And then we go back to the Old Testament in Isaiah 54, 17. It says, no weapon formed against me shall prosper, and every tongue that rises against me in judgment, I will condemn. This is the heritage of the saints and their righteousness.

Their righteousness is of me, saith the Lord. Now, I send this prayer out in Isaiah 55, 11. So shall my word be that go forth.

It shall not return to me void. It shall accomplish all I've set it out to do, all that it pleases me to do. God, your word does not return until you void.

So I utilize your word. I pray your word. I send it out in Jesus Christ's name with this prayer.

Now, all physical devices, gizmo gadgets, and such like, all technology, I bind up, break, nullify, cancel, sink, Lord, and that is she. In the name of Jesus Christ, I ask that spears of the Lord be sent up and bring down every satellite not needed. In Jesus Christ's name for the end time days and any that's not, that are needed, but not at this moment in time.

I ask they be disarmed or taken offline until time when they're needed. In Jesus Christ's name, I ask you do this, Jesus Christ, but according to your perfect will. Thank you, Lord.

I give you praise. I give you praise. I give you praise.

Lord, is there anything else? I bind up the water. I bind up the water, Lord, the hidden agendas

of the governments in the water. What are you talking about, Lord? Smokescreen, smokescreen, smokescreen, smokescreens, fogs.

In the name of Jesus Christ, I bind up every hidden agenda inside the waters by the government and the kingdom of darkness. In Jesus Christ's name, Lord Jesus Christ, I pray for protection over your people and over this earth, Lord, over all that's created by you. I plead your blood, Lord.

I plead your blood, and I ask that you clear this atmosphere. I ask that everything that's being released that's ungodly, everything that has an agenda that is of the evil kingdom of darkness, that it become null and void and struck down by the mighty power of Jesus Christ. I ask that you use your right hand, Jesus Christ.

It talks about the right hand of God. I believe that's you, Jesus Christ. Hallelujah.

Hallelujah. Hallelujah. Lord, is there anything else you need me to pray? Send this out north, south, east to us, sweet Holy Ghost Spirit.

Send it wherever it needs to be. I say this again, if this ministry is not from you, Jesus Christ, tear it down, strike it down, pull it down so that we do not harm the body of Christ. But if it is of you, then take it wherever you need it to be.

It cannot be torn down. No matter what they say, no matter what they do, it shall stand until you say otherwise. According to Acts 5, I give you praise, Lord.

Let your will be done on earth as it is in heaven. Not my will, but thine be done, Father God. In Jesus Christ's name I pray.

Amen. Hallelujah. Hallelujah.

Hallelujah. Hallelujah. Thank you, Lord.

Thank you, Lord. All right. You have to be available anytime.

You never know when he's going to give you a word. I was actually cleaning. Okay.

And he said he was 1225 at 818 PM. It's still 1212. Just making sure.

Daughter, excuse me, that's a little personal mark to me. May go down a little further. Where it starts.

Tick tock, the clock has struck 12 o'clock. Tell me men and women of this world, where will you run from my anger and wrath? For when the clock hand reaches 1201, this is what you will feel and experience once you come through the three days of darkness that descends now as I shut this evil, wicked world down. I do it now, daughter, in my time, which is dwindled down to your time, daughter, that of mankind's, even in all its many flaws and inaccuracies.

Tick tock, I say no longer, it shall be for you, oh world. When the darkness lifts after three days of trials inside you, your world will be at a standstill. I didn't say that right.

When the darkness lifts after three days of trials inside, your world will be at a standstill, but hope shall resurface as many realize they have survived the darkness with many not sure what it was they endured. This is a beginning of the shutdown of your world. The grids will begin restoring power slowly to the nations not to overload the power grids, they will say, but in reality, it is to switch over a changing of power, a rule of the world, although it shall not be evidently seen at first to those still here.

Before the grids of power of the world's various kinds begin in earnest to start being restored to the people and some governments still yet, I shall further shut this world's commerce and trade down as Babylon America is destroyed from the inside by those who infiltrated her long ago. Sleeper cells, sleeper cells, already on standby, already in place. The 10 hidden nuclear suitcases hidden throughout Babylon America shall finally be detonated, soon followed by the bombing of Ukraine's Kiev by Putin's Satan-2, his Sarmat-2 nuclear missile, but only after the Orshnik flies again.

And she will, daughter, she will be airborne once again. I shut this world down, daughter, for weeks. America Babylon, trader of goods far and near, and the number one supplier of trafficking of children, women, and souls shall be so decimated and polluted by all the nuclear residue and radioactivity that no one shall touch her wares.

Her gold, silver, all that she has to offer shall be wiped away within a one hour period of man's time. No more TikTok for you, now destruction comes on the tailwind of the three days of darkness. I shut your world by one single, excuse me, I shut down your world by one single command, because my voice is a voice of God.

My voice is a voice of authority inside your world and permanent. My voice is a voice of the creator, and now I create destruction for the evil and the wicked in the form of righteous judgment. I am a God of love, but also one of holiness and righteousness.

Sin has a cost and must be paid. This is my world I created for my father by his command. Those who have sought to destroy the earth, this earth, those who have killed and destroyed so many of my people and my children, even those of their own kind, your time has come.

It's not going to be like you thought, kingdom of darkness. Have you not paid attention to the very world, excuse me, have you not, Holy Spirit, in the name of Jesus Christ, help me read this clearly. Have you not paid attention to the very words I tell my children that you watch and monitor so closely? Never assume, because in assumptions, most times you are wrong.

Just as you are again this time, because I see your hearts and thoughts, every evil black thought and heart. As the darkness falls, daughter, it will be quickly done. As I showed you once again this very day by vision while you were outside, when I start descending, it shall darken that

quick.

Before I go on, I did have a vision, I was outside and it just suddenly got dim. It's like someone took a dimmer switch and everything was dark just and it was like that for like five minutes and I'm like because so that's what he's talking about. It was just a small vision, thank you Lord, and at the time I did not think I was going to share it.

So this is what he's talking about. It's just simple if you're seeing a dimmer switch that you just turn down as quickly as you can turn it down, that's how quick it descended. When it starts descending, it shall darken that quick.

The aurora lights have come to your world, daughter. Your scientists and specialty groups like NASA all say it's because the sun is in her solar maximum and once it's, excuse me, and once it's over the sun will calm down. Excuse me.

Will it, oh world? I say it will not. Man's evil machines and devices aimed at the sun to try to pull and harness the sun's power from the upper atmosphere is only causing more damage. By my command, the sun is now begin to retaliate to fulfill my words written in the scripture of truth.

Excuse me. Thank you Lord. I swallowed that air wrong.

I'm sorry. Are you ready, oh world? Because here comes, excuse me, in the name of Jesus Christ, I will read this clearly. No weapon formed against me shall prosper.

You lose devil in Jesus Christ's name. Are you ready, oh world? Because here I come, bringing righteous judgment beginning now with the three days of darkness that begins the shutdown of your world and it will stay shut down until I command otherwise. I say repent of your sins while you still can.

Do you not feel my Holy Spirit pulling at your heart? Do not resist him because for many when the darkness falls, if you don't repent, and you will have no other opportunities. This is serious guys. Tick tock, no more darkness descends.

I shut this world down now, daughter. I do it now. All has been cleared for it now to come to be.

Tick tock, I say, the clock has struck 12. Darkness descends with the aurora lights already seen. The allotted time now they come again.

The same yet different as each of man's fake time zones pays its due, causing what could have been to not be. Now they appear for moments of my time. Prepare for the fiery trials, my children, and oh world, because you're out of time.

Seek me for the truth of that which I have just spoken. Tick tock, the clock has struck 12. Here comes the three days of darkness instead of a jolly old fat man, a fake God coming down your chimneys dressed in red with the sack on his back yelling, ho, ho, ho.

Instead of your spread feast, which I have come to hate, not only the customs of the Jewish people, you a world. For those who have some type of light, you shall sit huddled together eating your meager meals because this is not only the season of these things to come, it's also the time. Tick tock, no more.

Darkness descends. Get indoors, my children. It's time to be ready to go indoors.

That is all, daughter, I have to say. Now it's up to my children to seek me for further instructions and if or when they do, they will know my truth of when to be ready. Take this to Jesus Christ in prayer.

There's quite a few verses, so let's get through them. You are instructed to try, test, and discern this. First Thessalonians 5.21, prove all things so fast to that which is good.

First John 4.1, beloved, believe not every spirit, but try the spirits, whether they be of God. For many false prophets have gone out into the world, false prophets, false teachers, false anything. The whole point of that verse is, and the other, to prove all things to test to see if it's of God or not.

Excuse me. Thank you, love. Acts 17.11 talks about the brains.

Thank you, love. After Paul taught them, Paul, the one who wrote a big majority of the New Testament, taught them, they still got the Old Testament, the scriptures down, the scrolls down, studied them out to make sure he was teaching the truth as we should be doing. Amos 8.1-12, Proverbs 1.33, 3.25, Ezekiel 32.7-8, Exodus 10.21-27, Psalms 91.5-6, Ecclesiastes 1.9-3.15, Job 5.14, Deuteronomy 28.27-29, Isaiah 59.9-10, Job 12.24-25, Deuteronomy 28.58-61, Isaiah 13.10-11, 1 Samuel 2.9, Micah 3.6, Joel 3.14-15, Acts 2.20-21, Job 30.26, Isaiah 60.1-2, 2 Samuel 22.29, Isaiah 8.12, Job 29.3, Psalms 139.11, John 12.46, Psalms 17.3, Joshua 1.9, Job 23.10, Malachi 3.2-3, Ephesians 1.20-23, Hebrews 2.8-18, Revelation 6.16-17, 14.6-8, Revelation 18, Jeremiah 2.32-37, Isaiah 26.20-21. So again, take this to Jesus Christ in prayer.

Excuse me, I was going to look and see, was there anything left on that in the vision, because it was just a short vision. He's actually talking to me about these things. I had to travel today.

Right before, okay, I hear the birds singing in the distance. What am I supposed to see? He told me to look. Explain, granddaughter, if you hear that, apologize.

Wait, the birds have hushed, and the sky is going dim. It's going dark, like someone has suddenly turned the light dimmer, like a light dimmer switch all the way off. It's dark.

Jesus Christ, it's dark. And again, it was just simply like turning it down. Once it started dimming, it was that quick.

So, take all this to Jesus Christ in prayer. Try, test, and discern it. I'm going to read one place again, because I don't know if I've read it smooth.

Tick-tock, I say the clock has struck twelve. Darkness descends with the aurora lights already seen, the allotted time now. They come again, the same yet different, as each of man's fake time zones pays its dues, causing what could have been to not be.

Now they appear for moments, they appear for moments of my time. All right. If you need information on the Three Days of Darkness, we do have information on the website, [www.mylovelyjesusministry.com](http://www.mylovelyjesusministry.com). There's a whole page dedicated to it, or you can find some of the PDFs and stuff on the ebook transcript page.

There are verses on there. There's some pages of verses and things separated. These are some of the things that I have been putting together, because we will be going through some testing and fiery trials in the darkness.

It's a purging, it's a cleansing, but we're not to fear. Well, let me say this. We're not supposed to fear, but if you have unrepentant sin in your life, you might be feeling some fear.

But greater is he that is innocent, he that is in the world. I don't know about anybody else, but I've been working diligently, asking Holy Spirit to seek and search, show me, reveal anything that needs to be on my life, including anything. Lord, if I'm wrong, right me.

We've got to be willing to do that. And he showed me some things and even going through, like I was cleaning today, cleaning out my desk. Was there anything in my desk, anything printed off, anything that is ungodly, anything that's attached to somebody from the kingdom of darkness? Why am I doing this? I know the power of prayer, but I also know that if it's attached to like just something I'm printing off the internet that we're doing research and all, if that site, because I did some research or pull off the other day about Christmas, the pagan sites to get the information, even though they were sealed, got the information, don't need them no more.

I don't want anything that's connected to where there's access to my life because we're going to be facing our purging, our trials, our testing. The whole world is actually going to be going through some type of trial, testing and purging. The difference is we have Jesus Christ still to help us.

So anything, I don't want anything accursed. I don't want anything that belongs to the kingdom of darkness. I go through my house diligently all the time.

Is there anything, has anything been brought in unknowingly? I pray over everything before I go, before I go to the store and when I'm in the store, don't let me bring anything home that's cursed or, you know, cursed or accursed. If it's cursed, I can break it off. If it's accursed, no, because that's more opportunity that when the kingdom of darkness is released and start doing their part, they're going to fight your mind.

The battle is in our mind and we're already going to be dealing with stuff. If you have unforgiveness, if you have bitterness toward someone, if you're things you've got to deal with, they need to be dealt with before you get into heaven. So there's things that's got to be dealt

with because no sin will enter heaven.

No unrighteousness. Study it out. Instead of just posting questions without diligently searching it out, get in the word of God and study it.

Pull the scriptures. The Old Testament and New Testament both work together. It's the inspired word of God.

I know growing up, I know some people that said, we don't need the Old Testament anymore. We just need the New Testament. We're under the covenant of grace.

Well, Jesus Christ taught from the Old Testament, not from the Torah, from the scrolls. So if he used it, then it still applies. It's just the, Holy Spirit, help me say this.

Jesus Christ came to fulfill the law, every part of it. But he did away with the law too. When you study all the things, because we are now under grace, we do not have to sacrifice bullocks and lambs.

He was our sacrifice. He has fulfilled everything required by the law, the old law. He is our high priest.

He gave his life, shed his blood. And where we are now under a covenant of grace, now understand we still obey the laws of the moral laws. Thou shalt not kill, thou shalt not steal, as Jesus Christ expounded on them.

Thou shalt not commit adultery. But he also said, goes further, bringing in the word of God, the moral laws of God, thou shalt not commit adultery. I say to you, if you look upon a woman with lust in your heart, you've created, you've committed adultery already.

So instead of being instantly killed, stoned, if you're caught in the act of adultery, you have time and grace to repent. We're under the covenant of grace. You do not have to kill animals for your sins.

Jesus Christ died for your sins. It is not an old covenant law of works. They were given so many things to follow that was to help discipline them, set them apart as a separate people.

Now we have the blood of Jesus Christ to cleanse us. We have the Holy Spirit to help discipline us. But even in both, you have a choice.

Now I know there's more to it. I'm not going to go into all of it. It's studied out.

Those that says, he didn't do away with the law. You need to study Paul's writings. When it says he did away with law, he did away with the part where you sacrifice the animals.

The part, it's like the same covenant that's been upgraded to modern days, meaning upgraded to Jesus Christ now has paid the price. Jesus Christ's blood, he was a sacrifice. So you don't have

to do that.

That part of it is done away with. It's not a law of works now. It's a law of grace.

It's a covenant of grace, meaning you can now, if you slip up, have time to repent. Grace and mercy is extended. When King David committed adultery with Bathsheba and then had her husband Uriah murdered, he did, sent him out to the front line to where he would get killed and then took her to wife.

His sin, he was guilty and should have been stoned to death. That's what should have been done by the law. But when you read, I believe it was Nathan.

Is it Nathan, the prophet? Gad, the seer, Nathan. I think it was Nathan, the prophet. It's either Nathan or Gad.

I apologize. I think it's Nathan. But he came to him and gave him a little story about a lamb.

This one family had one little lamb and they treated it like a family member. This other neighbor had a, this is me translating just to my, had guests come in, the neighbor had guests come in and took that lamb and killed it instead of using their own. A representation of showing David his sin.

He has all these women, all these queens and all these concubines and all these, and yet he lusted after, lusted. Now, that's what it was, lusted after Uriah's one wife. Today, if somebody commits adultery, a child of God, or if they sin, if they have, you know, bitterness and they repent, there's time.

You're not taken out and stoned. You're not having to drink stuff to see, you know, if for women that they thought was committing adultery, you had to drink this stuff. And if you poisoned you or messed your stomach up, whatever, I forget exactly how it goes.

I apologize. But it had an adverse effect on you if you were guilty. God's always showing.

You don't have to do all that. You're under grace, meaning you have time to repent, time for the Holy Spirit to deal with you and you choose in whether to repent or not. I'm not going to go any further in this, but study it out.

Jesus Christ did fulfill the old law. And when I say it's a new law, what I mean, it's now been changed into a covenant of grace, same foundation, same moral law, same God, same covenant, but now changed into a covenant of grace. We're not required to sacrifice animals for our sins.

We're not required to do everything they had to do to be set apart. There are long lists of instructions. So take all this to Jesus Christ and pray.

I did not know I was going into that. That is something that takes some studying. Please do.

I've seen people beat other people over the head when they say we're under a new covenant. It's a covenant of grace. It is new, but it's still the basis of the old covenant.

Just without all the works, the same God, same love, same covenant. You be my people. You obey me and I'll be your God.

You be my people. Same instructions. Thou shalt not kill.

Thou shalt not steal. Thou shalt not covet. Thou shalt not steal.

All these things, but Jesus Christ expounded further on them. And in the covenant of grace, you see where we are given, in some ways, new ways to deal with those that wrong us. We turn the other cheek where it was eye for eye, tooth for tooth.

And that's in the physical and the spiritual realm is where you fight. Take all this to Jesus Christ in prayer. God bless.

Stay in the blood of Jesus Christ always. Bye-bye for now.
