

At Least 2 More Pestilences Warning 3-10-22 @ 515AM

Jesus has been speaking to me several months now about 2 pestilences, virus/disease/illness/sickness or whatever you wish to call them that are coming or has come already. I woke up this morning with an urgency to send the warning out. although I do not have all the information condensed and ready to be shared.

I sought my lovely Jesus and he said, “Yes, sound the alarm. Give warning so the people can be preparing and praying, so they can seek me in advance about all these things coming!” So here I sounding the warning again in Jesus’ mighty name!

This document is a summary of what I have spoken on the short video that I have uploaded on Rumble, Bitchute, Brighteon and a shorter one on Tik Tok with this same title. It will not be word for word as the video, but will contain much of the information needed in this document.

Holy Spirit lead me in Jesus' name I pray!

The first is a hemorrhaging illness, a pestilence that in a dream titled Prayers of the enemy,” that I had from 1-15-22 through 1-16-22 which God revealed the name Marburg for this disease/virus/illness. It has already been released. I don’t know how contagious it is our how it is passed from person to person!

How much, how little or what locations I’m not sure so please pray about all these things. This sickness in the last stages, in its severest state will cause you to bleed out of all your body orifices...your body openings...eyes, ears...any part that has an opening as death nears.

The second is a Leprosy-type flesh eating disease/virus/illness that will as it progresses cause deep sores that will eat your flesh away. Some will have abscess in them if not all of the deeper ones. It is highly contagious to the touch. I don’t know if it has been released as of yet!

WE ARE NOT TO FEAR THESE THINGS AT ALL! WE ARE TO TRUST IN OUR LOVELY JESUS IN ALL THINGS!

Our wonderful Savior, our Lord Jesus Christ is giving us warning, so we can prepare and he does it out of love.

I am going to provide you a brief bit of information that he has spoken to me as I have prayed and fasted about these things. These pestilences are of the same origins as the Covid, so if you’ve studied it prayerfully and searched out the matter under the leading of the precious Holy Spirit you will know these are man-made.

Let me say this first. I am not a doctor. I am not an herbalist. The information I share with you is to be prayed about. I don't know your body, but he does. This is what he has revealed to me would aid in fighting these 2 pestilences that are definitely coming or has come already.

For the Marburg, Jesus has told me to make Yarrow tea using 1 teaspoon of the dried Yarrow to every 4 ounces of water and this would aid in stopping the internal bleeding. Again, I have had very little knowledge of herbs, but God is giving me a crash course as I seek him about how to heal if he chooses not to heal instantly as he can do. This is why he has been speaking to me about his own hand made remedies he created for us in nature.

For the Leprosy-type flesh eating pestilence I have been instructed to make a poultice with Burdock root, onion and garlic. Also ginger root can be added too. Let me stress to you the fact that I have never made a poultice before so I looked on the internet and found there are so many different ways, I had no clue which one I would need. I then began praying again asking my lovely Jesus, "How do you make a poultice for this sickness," and he has shown me and I will Lord willing provide all this information after I get it fully condensed.

Please remember, I do not sit and watch or listen to the news. I read occasional headlines and only read a complete article if instructed by the precious Holy Spirit to do so. The same goes with videos. I am very careful about what I set before my eyes, put into my ears and allow into my spirit because my body is the temple that the Holy Spirit dwells in and in my heart my lovely Jesus resides.

I am asking you to pray about these things. Don't take my word! Seek Jesus about all things. I couldn't release this information until he gave me the okay, because all things are done in his time and his timing is perfect.

The main thing that we are to do as Christians, is no matter what happens, we keep our eyes fully on him. We are not supposed to let worry, fear or doubt consume us. Our hearts should be rejoicing in our salvation with praise and song in our hearts and on our lips. Study his word. Fast and pray. Seek to know him. Seek to become more intimate with him. Spend some quiet time with him and when you pray, take time to stop and listen because he has much to say if you give him some of your valuable time. He is a good good God.

This is where I purchased the herbs mentioned in the video and this document. Pray about the amount the Lord Jesus wants you to purchase, because these may not be available to you at a later time, nor do we know how many treatments it will take.
