

China Joins Putin On Our Soil 4-3-20@1:56 PM

“I’m here Lord Jesus, I am here and it’s been a busy day. I did have to go out and pick up some groceries and not only were people wearing the small face masks and gloves, I also saw a man wearing a gas mask. One that is supposed to allow you to be able to breathe in poison gas or something of that nature and it rips my heart out for it is as You have been telling from the beginning on how You said it was going to be. I knew Jesus, yet it still upsets me and makes me realize, truly realize that Your words are true. Our world is forever changed and it’s only going to get worse!” “Yes, Child, it is.” “What are we going to do?” “And what have I told you that you must needs do?” “Pray, you told us to pray for our lost, all the lost, our leaders, our nation and our world, yet we are also to prepare. To make any preparations that we can for war is coming, followed close on its heels by famine, great famine of great dearth.” “Again Child, you are correct!” “Jesus, I have been sensing in my spirit for a couple of days now that there is something that You are wanting to discuss with me but I was so overwhelmed the other day by all the information being brought forth that I needed a “pause” to assimilate and understand it all. I don’t mean to be the cause of a delay or a hindrance.” “You are not Child, for everything is done within My appointed time and not that of man although many times he thinks he is in control.” “Forgive me Jesus, if I appear to think this way for I know, truly know that nothing can ever be done or happen without You ordaining it.”

“Yes, Child, you are right and there are still things left to discuss. We need to begin discussing Putin for he shall surely besiege your country as well as the king of the east and the south of your country. This being the people of Mexico. Child, surely as you have suspected Putin shall also forge an alliance with the king of the east. I see this has caused you some alarm, the joining of these 2 great armies. These enemies of your once great nation. Iran and Iraq shall focus on the Gulf of Persia for they will still stand against My beloved nation Israel who has stood true with your country for My people, My beloved nation of Israel’s word of allegiance shall remain true.

It’s Going to Be A Coalition 4-3-20@4:38 PM

“I was praying and as I was praying I asked Jesus are Putin and China truly going to join forces and attack us together along with Iran and Iraq. I couldn’t see these 2 great men joining forces and Jesus answered, “They are going to form a coalition.” “What’s a coalition?” “Look it up Child.” “So I did.

Coalition: An alliance for combined action, especially a temporary alliance of political parties forming a government or a stake! Another definition is : A temporary alliance of distinct parties, persons, or states for joint action.

So they are going to join together temporarily to attack us together to accomplish what both parties desire, to see America fall, to be brought to her knees.” “Yes, Child, that is correct.”
