

My Truth is Evidently Seen, But You Refuse to See it 4-20-26@6:50 PM Shared 4-21-26

"I will speak with you, Daughter, on this matter. You are correct Daughter, you could be standing in front of all the Donna Ketterer's of the world and heal someone of a visible leprosy in My Name, Jesus Christ, Yeshua Ha' Mashiach and most would still choose to deny it was from Me. This needed to be addressed, Daughter, because it's time to attack back, but in love, embarrass those trying to hide behind in the shadows. Daughter, hear Me, Daughter, it didn't get out of My attention."

"Hear Me Daughter hear Me, I speak truth, not lies. Dora Ketterer has been married twice and her daughter is not of the father she has told her, or the man she is married to, she's led him to believe... he is not her father. This is the kind of person that wants knowledge of proof of Truth, so here it is."

"Now try, test and discern this Daughter." "Jesus Christ, this discerns true from You." "You will share this in front of the next video. There are those who will hear that know what I speak to you is the truth."

Now for the world, write Daughter, write.

I send fire, fire to the south of the United States of Babylon. She will burn! To the north I bring trouble of another nature. I send waves of currents and outages, for I control the elements, the earth, the sun, moon and stars.

I bring a cold front that's abnormal for this time of year to the shores of the West.

To the scoffers, mockers, and doubters I say, watch the shores and shorelines from the East to the West. What do you see coming to your shores? Very little, very little food, very little of anything. Just as My Daughter and others have spoken in My Name.

I send Australia and New Zealand water. Water trouble as more flooding begins. I see what you do in the shadows. Judgment's hand continues to fall against you.

Storms, storms churning, storms brewing, look to the UK.

I send a typhoon. A typhoon Sally. Sally's up.

Daughter I'm about to show the world who sits on the throne and rules over the affairs of Heaven and the Earth, judging all in righteousness, before I send the darkness for 3 days. I shall blind the eyes and ears of the doubters, scoffers, and mockers and My enemies of the time of its descent. This I do fairly as Justice's hand falls further.

Look for electrical outages to come to the United States of Babylon with causes known and unknown, and no, Daughter, it will not be from a man-made EMP blast.

I send these things now in the order I choose and when I'm done I shall suddenly drop my 3 days of darkness. Do I have your attention scoffers, mockers, doubters? Do I have your attention Babylon-America, Australia, UK and New Zealand? If not, the next shake and quake of the earth will.

Take notice I say to the proud, the foolish, the jealous, the mockers, the liars, and doubters, because I'm backing this word up with a mighty hand and evidence quickly seen. It will start quickly in the order I choose.

Now in addition, Daughter, these things shall be seen as written and recorded as spoken by Me. Whether they want to acknowledge it or not, I speak My words that shall be shared from your lips and your voice through My Holy Spirit that lives within you. That lives inside My true children.

I'm going to shake the land of Turkey much like I recently did, once before, not too long ago by man standards.

To the land of the Swedes this warning I bring... Because your hearts have left loving Me, and My holy ways, I will bring you to your knees by allowing Putin to bring much of your land into captivity with the help of other nations. Then you will have to decide whether you will repent and return to Me, Jesus Christ, your Lord, Savior and King, or not.

Watch for tidal waves and tsunamis to make more appearances in the world of man. Something this, My Daughter, has warned of sometimes, before, as many of My other children have done as well.

To the many I say this, My truth is evidently seen, but you refuse to see it, for many various reasons of your own choosing. Now I shall make these things more evidently seen to where in your denial, you shall become the laughingstocks to all, while My children fall on their knees asking for mercy to be given to your wretched souls.

Now Daughter, My stay of Mercy's hand has been lifted. Now judgment falls again across the lands, but this time as you can see, it's not only wicked, evil Babylon-America that is feeling My fury. Sin is the cause. Sin is the cause. Repent of your sins, before Destruction's hand falls even heavier and faster than before. I am the Righteous Judge, and this world has been found guilty. Run to Me My little children. Run and hide in Me and I will protect you.
