### **China Joins Putin On Our Soil 4-3-20@1:56 PM**

"Yes, Child, you are right and there are still things left to discuss. We need to begin discussing Putin for he shall surely besiege your country as well as the king of the east and the south of your country. This being the people of Mexico. Child, surely as you have suspected Putin shall also forge an alliance with the king of the east. I see this has caused you some alarm, the joining of these 2 great armies. These enemies of your once great nation. Iran and Iraq shall focus on the Gulf of Persia for they will still stand against My beloved nation Israel who has stood true with your country for My people, My beloved nation of Israel's word of allegiance shall remain true.

### **It's Going to Be A Coalition 4-3-20@4:38 PM**

"I was praying and as I was praying I asked Jesus are Putin and China truly going to join forces and attack us together along with Iran and Iraq. I couldn't see these 2 great men joining forces and Jesus answered, "They are going to form a coalition." "What's a coalition?" "Look it up Child." "So I did.

Coalition: An alliance for combined action, especially a temporary alliance of political parties forming a government or a stake! Another definition is : A temporary alliance of distinct parties, persons, or states for joint action.

...So they are going to join together temporarily to attack us together to accomplish what both parties desire, to see America fall, to be brought to her knees." "Yes, Child, that is correct."

### **Official Proclamation of War, 3 Days of Darkness & Divorce 1-6-23 @ 5:35 PM to 8:22 PM**

...I declare by order from Heaven's Courts war officially comes to your whole world entwined with 3 Days of Darkness. Time within time by heavens standards. I speak now to you, O' Babylon which is America. With this declaration Putin of the bear will no longer be restrained from his prolonged coming attack upon your nation. **His hands guide the other nations who have joined the organized coalition by the evil Putin's hands.** Be not deceived people of the earth. All leaders of your world are entangled together in this coming war and all committed already found to be of evil hearts, ruled by the master deceiver satan, the destroyer of all that's good that he touches." "What does this mean, Gabriel?" "It means, daughter, Vladimir Putin of Russia will now be free to fire upon your once great nation of America." "Oh no!"

### **An Awake Dream of Invasion 2-4-23 to 2-17-23 & 4-25-23**

While traveling in the waters, Putin shall signal his other waiting fleets, and soon they will leave for New York, where eventually other countries allied with him in his unholy coalition, shall join forces with Russia's.

....."Come now, let me show you what I have been commanded to reveal to you of what's to come to your nation, now known as Babylon of old, as well of Babylon of the new in the halls of

heaven's courts. **Not all members' activities of Putin's coalition will I discuss at this time.**.....

....“Michael,” I ask, “what countries have joined the Russians third fleet?” “Including footman, equipment and weapons, it is out of the countries of France, Germany and Denmark.” “Oh.” I said feeling my heart sink. **“Daughter of heaven’s court, Putin has been wooing the other countries to rise against your nation in secret for some time now. This is a coalition that he has formed.”**

### **War Plans Against America Dream 11-10-25 Shared 11-12-25**

I saw Antichrist's brows furrow into a scowl. The room was silent for a moment until antichrist spoke again, “Vladimir, all is not lost. We will not change the time of your nuclear strike. All has been prearranged among those in the formed coalition under your guiding hand. Xi Jinping and Kim Jong-un know their position and when to attack already.

## Putin's henchmen demand Russia join Iran in war against US and Israel

March 2, 2026

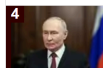

one of the isolated country's main allies, following the launch of Operation Epic Fury. Russian MP Alexei Zhuravlev said Russia should provide immediate military aid to Iran after the US-Israeli attacks on the country, and also called for his country to take Volodymyr Zelensky, President of Ukraine. "This is not a situation where we should limit ourselves to protest notes, but rather stand up for Iran before it is too late, by all possible means, including military support," Zhuravlev, deputy chairman of the Russian parliament's defence committee, said.

He is also calling for a "military coalition" of authoritarian states to back Tehran. "It is clear that the United States will no longer even try to negotiate with anyone and will attack a new opponent with renewed force," Zhuravlev said, also adding that Russia could be the next target. They must be stopped at these lines, supplied with weapons, intelligence information, and everything necessary so that Iran can hold back the US armada heading to its direction. "It even makes sense to create a military coalition for this confrontation, otherwise the collective West will pick everyone off one by one," he added.

"But rather stand up for Iran before it is too late, by all possible means, including military support".

Vladimir Putin's war hawks are demanding Russia pile into Iran's fight with America with "all possible means" as panic grips Moscow that it could be Donald Trump's next target.

Hardline Kremlin figures have called for an authoritarian "military coalition" to back Tehran, warning the US will "pick everyone off one by one" if Russia doesn't act.
