

Strait of Hormuz, Trump, Iran & Netanyahu 6-21-26@6:59 AM

"Daughter." "I'm here, my lovely Jesus Christ." "I have somewhat to speak to you again, Daughter of Mine, beloved of our kingdom."

Your nation's President Trump is angry. His prideful peace plan is plainly failing. It has failed already. As each plays their role cast by satan, by lucifer, for the world roles many times pride rises up inside the leaders and rulers over states and nations. Your nation's President Trump is most prideful and boastful. Pride will cause a man to fall. Pride is what led lucifer to his fall while in Heaven.

The world has once again been held bound by the closure of the Hormuz Strait. Although the Iranians claimed it was a broken ceasefire that caused them to issue the orders to close the Strait of Hormuz again, they would not have allowed it to remain open. To the eyes of the world, it appears that they are willing to deal and allow a number of ships to pass through, making it appear they are willing to honor their words. They will not!

But neither does President Trump hold true always to his own words. He shall bellow and roar, threaten and strike, bomb and make demands. Then he'll change his plan even before the 60-day deadline has come to an end that he had issued.

Oil products grow scarcer in many places across the world. The world's nations shall begin to look toward NATO for help to solve the situation fearing President Trump has failed to bring peace and resolve the issue with the Strait of Hormuz.

Threats will grow darker against Iran from your nation's President that will be openly spoken and not just in conversations behind closed doors, but before President Trump can give the order to launch such a plan that concerns the use of nuclear weapons, Daughter, the activated Iranian sleeper cells shall move first. Not the ones that are ready to detonate the 10 hidden nuclear suitcases waiting in place. But those sleeper cells commissioned to take out lady liberty and Manhattan first, are already in Babylon-America's divided states. When such devastation shall rise, so shall the European Nation with Macron in tow.

But first peace fails as I have spoken it would. Netanyahu plays his role right. His part is to cause the world to turn on Israel as he proclaims all he does is for the nation of Israel and God. Never forget the enemy sits behind them all pulling their strings trying to cause My Written Word to be fulfilled before it's time. His main part is to cause hatred to rise toward Israel, God's chosen land and people, so the Written Word about the war of Gog Magog will transpire. Is it not apparent he does not want peace? For he is really one who sits in the seats of the synagogue of satan.

Hear Me Daughter, the world makes many plans, but the nations are ruled by My command. Evil is allowed because man's hearts are wicked and evil until one is reborn by Me and My love comes into their hearts. I soften the stony heart and make it one of flesh again.

But when evil arises, holy judgment falls down and repentance begins in the hearts of some. There are those My Holy Spirit has still been drawing and convicting as My Father God draws them to My cross where forgiveness can be found by what has occurred already.

When a nation reaches a height of wickedness that surpasses all others and abuses its position of power, then that nation will fall. America shall fall and fall soon. She is Babylon of old but also Babylon New. Lady liberty or libertas your nation's false god, it shall be destroyed along with the heart of its finances and world business center. Then when Putin makes his first strike from the sky, the heavens, Babylon-America's land falls as well. This Daughter, this shall now happen quickly. All very quickly.
