

Mass Deaths & Mass Destruction for USA & Ukraine 5-9-26@3:35 PM Shared 5-10-26

"Daughter, come Daughter. There is much to say." "I'm here my lovely Jesus Christ, I am listening."

"It's a time of double Daughter, a time of doubleness. It's the time of mass, daughter. The time for mass deaths to occur, but also the time of mass destruction. It's time for the death counts to begin rising. The death bells chiming and ringing have centered on Babylon-America, but also the land of Ukraine."

"Mass deaths

Mass destruction

A double of mass amount in each one points to the time.

A doubling of places of America-Babylon and Ukraine, but spread apart in the delivery of mass death and mass destruction for these two locations."

Death bells chiming, ringing now in the very atmosphere of these two locations, as the death angel prepares to receive those to die into his hands. Only those who do not belong to Me, can he keep and contain, in the fiery walls of hell beneath, until these souls' depart to judgment. Then to the Lake of Fire that awaits for all who choose not to accept Me Jesus Christ into their hearts as Lord. Where I could and would have washed their sins all away.

The destroyer has arrived, he who came with the third foretold moon brought him into the world of man, his physical realm.

Mass deaths, mass destruction, double trouble on a single day not once, but twice at two different locations. Even in this, the mass deaths and mass destruction shall bring double results as well. These being mass chaos and mass fear, just as lucifer's kingdom intends for these things to do to mankind.

Death bells ringing, Daughter, death bells chiming. A double again for one day, for this is how it shall be. Hear Me Daughter and understand. Does this not speak the same to what I have shown you privately? Yes it does.

World, oh world, woe has come and on this day of trouble, you have double the trouble. Mass deaths, I say, and mass destruction, a time of doubleness. Repent, I say repent.

Mass deaths, mass deaths as the death count rises suddenly. Are you ready for My righteous holy judgment to fall further? If not for My children, you would not have space in between to try to recover some before My next judgment falls.

Daughter, Daughter this is that time! As you see the judgment fall, the destruction beginning, and as you see the death count rising, as the death bell keeps ringing and chiming, do not weep, mourn, or cry out for those that would perish, those that would feel the aftermath remains of all that's coming. Sin is the cause. I gave space, multiple spaces for repentance to be made that was

rejected by most, and spit on by the majority of those who will perish in the first round of mass deaths.

You are to focus on Me Daughter, concentrate on Me. You have fought for the lost souls of man like many other of My children have. There's now no more need to cry out for those whose judgment's hand is landed on. America-Babylon, so wicked, vile and evil shall be the first example to the world of My double judgment, on a double day, containing mass destruction and mass deaths.

The next example is Ukraine which she too is of the vilest of other nations, but this fact has been hidden recently because all we're focusing on the war between Ukraine and Russia the bear.

So be prepared, Daughter. Brace yourself as you endure coming to America-Babylon, double mass of destruction and deaths, on a double day that will also be the first, not only as a day of infamy for such a horrendous act, but also the first as found written in My Word.

Don't cry anymore Daughter. Weep no longer for these people and as I send the destroyer to complete My holy judgment causing mass death and mass destruction in your once great nation of Babylon-America and when it occurs in Ukraine's land, I shall hold you tenderly in My arms as I will do all My children, so you can focus on Me and not the destruction at hand.

If you knew all that these cities have been judged and found guilty of Daughter, you would be begging Me to strike it now, like I did other lands and cities before, but Daughter My timing is perfect.

What's written inside the pages of My Word, it's true meaning, must come to pass and shall do so. So, now Daughter, hide, hide in Me, for this time has finally come to your world and nation.

"I have a word for your nation's President Trump. Please share this at the end." "Will he see, or hear this word Jesus Christ my love?" "Yes, Daughter. He, like other leaders and rulers of the world, have trusted people on systems that scan, read and download anything from My true children that they think might be of importance." "Wow, I didn't know all that. Okay, Lord, what do I tell him?"

"You tell him this.

The God of heavens, God's Son, who you profess to know, but do not, has a message for you Donald J. Trump.

When you see the first of these two things come to pass then know this time has come.

'Errol Flynn needs to take a trip to the rabbit hole and he needs to take it now.'

"Again, Daughter, the message is:

'Errol Flynn needs to take a trip to the rabbit hole and he needs to take it now.'....when he sees the first of these two things begin to come to pass."

"Destruction comes in the masses.

Destruction brings death.

Death comes in the masses.

Masses of death Daughter, and masses of destruction. The first day it being a day of double has arrived. It's here, it's now. The destroyer is in position. “
