

Hidden Truths Will be Revealed 9-9-26@5:07 PM Shared 9-10-26

Truth, truth, truth be revealed I command it. That which is hidden, that which has been spoken, I commend you to break forth from all the veils of deception and lies. Truth that cannot be denied or twisted by anyone in the kingdom of darkness, I, Jesus Christ, Son of God declares it shall be as My voice commands it from My Heaven.

TRUTH BE REVEALED!

[illegible]

I shake this world so all the dirty little secrets of men and fallen angels will be revealed. This is the first shaking of three to come. Few can bear the full truth already.

I release the truth of those things hidden by the evil kingdom of darkness. Prepare O' world to have your foundation shaking like never before because you were formed and created by spoken words of truth. O' Earth your pillars are created out of Truth. Now shake I say and uncover physically and spiritually all that was buried, hidden, lied about, of so many things and do it now! Now, I say, now!

In the times of the world in which the world was ruled in the shadows by lucifer and his dark kingdom through those their demons possessed, or who were their children through humans that have the rightful dominion in this world that's only superceded by Father, Me and those who are Mine, the world became wrapped in layers and layers of deception, and woven webs of witchcraft spells, curses, and incantations. This has been majoritively done while many of My own became the sleeping church, My sleeping body.

The time of the greatest deception and delusions of illusions is upon the world as antichrist takes center stage. Many will embrace the fallen ones and others of their kingdom as they appear to the world of men as aliens from outer space. But before this time I clear much of the veils of deception and tear down many webs in answer to so many children of Mine praying for the truth to be revealed. Luke 8:17 for many is what's prayed, much like you do Daughter.

I do this in answer to My children's prayers so that as the world enters this time of the tribulation period and the Great Day of the Lord, many beforehand can see the truth of so many hidden things and then with their cleared mind, they can then make choices with their gift of free will, the freedom to choose that Father and I have created in man without so much deception and manipulation weighing so heavy that they can't see any truth at all.

When it comes time for one to choose to either take the mark of the beast or to reject it, they shall do so by their own free will. For this is a choice that seals their eternity. If you choose to take the mark then you will do so after you know the truth of these things so your choice is a clear one made by that person.

What does this mean for those of lucifer's kingdom already? It means this. Anywhere the people's minds have been blinded to My truth and the hidden truths that's been revealed now that are still savable their kingdom will be bound in this area of each person's life and mind so that they will see the truth, hear the truth, know the truth. Then with all the information they choose without demon coercion or their kingdom's interferences this final choice or choices.

If I do not do this, then those already bound by the kingdom of darkness that are ruled by the demons and fallen ones even though still savable would have the demons possessing them to rise up and take control of that person and temporarily overriding their minds and bodies would have them take antichrist's beast mark. This is common practice already. It's evident by so many who cannot control their actions or appear to have more than one personality. They are all demons that have taken possession of these people.

I'll repeat Myself again as I have spoken of this before. All who find themselves living in the time of My Great Day in which the evil man antichrist sits on the seat of power over the world's inhabitants, will have to make a choice. They must make this choice themselves. Therefore this is being done so that when this time comes, if a person chooses to take the mark of antichrist, who chooses to worship him as their god and his image, they will do so without any delusions to what they are doing. They will know they are forever rejecting My Father as the God of Heaven and their Creator. They will be rejecting that I am the Son of God, the Savior of the world who shed His Blood so they could be free from sin and its enslavement. They will reject Me as their Lord and embrace the man of sin as all these things.

Now I bring forth the truth for the few that will choose the narrow path of righteousness that all who accept Me must walk.

This again shall remove much of the world's deception, lies, and hidden truths that have enclosed this world by lucifer's webs of blindment. This truth will be seen by all that is being revealed. The truth, filled with so many hidden truths. I do this for My children and for those who have been seeking earnestly for their children, their family, their friends, the lost to be saved by Me. All who come to Me I will in no wise reject.

Daughter, all hidden things eventually come to the light. Lucifer and his kingdom thought they could keep many things hidden. They had counted on not having to battle for the souls they already possess that are still capable of being redeemed and saved by Me. They had intended to keep them so bound, so full of all the beliefs in this world's lies that they could lead them like lambs to the slaughter. They thought they could manipulate through direct access and possession of someone and could force and make them take their mark of the beast.

This has now been stopped! When it comes to a person taking the mark, lucifer, antichrist, and his kingdom will have to work at broadcasting and displaying what they call the glorious attribute to being able to buy and sell. To be able to earn credits and partake, in some places, by using their credit tokens through the mark, the ability to listen to music, or watch movies once again not shown on the localized controlled monitors, tvs, and broadcasting centers. They will have to work at selling it to the people as the only means to survive and not through demonic

manipulation, blackmail, or any other means that prevents someone from making the choice to accept his mark and forever reject Me and My gift of salvation that will doom them to an eternity in the Lake of Fire or not.

This Daughter is why the hidden truths, the first shaking, the three come now. Truth that cannot be hidden, twisted, or denied.

I have spoken this day. Now it is done and sent to your Earth now and activated until it completes its full fruition. Then the second shaking occurs of hidden truth revealed once buried or twisted, followed by the third and final time of shaking.

I say again, this I do My children because I've heard your prayers. Now hold on tightly to Me and don't be dismayed, distraught, or afraid by all you see and hear. Keep your eyes on Me and remember that this I do also so those of you who have people that are savable shall have the truth of what each needs to know. Then it will be by their own choices, their free will choice alone they shall make their decision to accept Me or not.
