

I Rewrote the Script & the 4 Winds Removed 10-1-26@9:19 AM

Hear Me Daughter, the world thinks they have seen My shaking of the world. They have not! Nor do those without My Holy Spirit residing inside them can gain a clear understanding of what it means. For truth cannot be understood by those who choose to live in the darkness.

When the Magnetic Black Mountain, the core of the Earth's being that is part of its created structure shatters inside the 3 days of darkness this will be the signal for My Holy Spirit to step back and restrain not them from coming forth, those of the kingdom of darkness. The spiritual barrier will fall and become part of the physical one as it first was when I created this world.

Now Daughter, I bring you clarity to share of how it's possible and so shall be that the atmosphere shall change... the waves of sound, the frequencies, pitches, vibrations ...all these things that travel in the atmosphere, in the earth, through the water, even your tunes and notes which can and do affect the colors of the world, are inherently done by the wind. Even your speaking is carried by the wind.

The wind in the atmosphere, the four quarters of the corner of the Earth which are merely access points from the treasures of the heaven in which the north, south, east, and west winds enter the firmament's Heavens moving in the directions commanded by creation's rules or by Father's command, by My command when holy judgment is sent out or blessings are poured out The lower heavens, called the lower atmospheres have already been changed much by man's tampering and the technology of the fallen ones causing mutations and variances in the once stable atmosphere.

When the Black Magnetic Rock Mountain shatters and the earthquake to come swiftly follows in the world of man, then so does My Holy Angels block the entrances of these four directional winds from coming forth into the heavens of the firmament, the atmosphere as they did when I formed it and created the Earth, the firmament by My Father's command.

The removal of these four winds I revealed to John in the Revelation, I gave him. It has not been a hidden mystery. This Daughter is how I change all these things by one single command for I am God's Son. I am He, and He is Me.

The Holy Spirit is the winds of creation. The moving power of creation. When Father spoke, the Spirit Wind, the Holy Spirit was the moving power and force that pushed His words forward. I was His words and I still am His words made into a bodily form. Together as One body, and Godhead all things are created.

His presence is on the earth still yet but will be reduced when the man of sin rises to full position. He will still reside in the hearts of those left behind, the two witnesses, and those yet to come to Me. But as more judgments fall, as the world enters the tribulation period and My Great Day of Wrath, His presence in creation's holding force shall be withdrawn more and more as the world begins its time of recompense for their evil, wicked deeds and their hearts that refuse to repent.

When you combine this knowledge with the knowledge of all the enemy sprays into the air, all their genetically modified, mutated hybrids of created things, as they work diligently to try to remove Father's Name YHWH out of the DNA of man, beast, creation itself, they have created everything needed for this world that I made perfect to be easily destroyed. This is why antichrist shall find himself ruling as king at some point under the blood red sky instead of the current blue one.

These things shall prove true Daughter of Mine! When the Black Rock Mountain shatters, when the 3 days of darkness is lifted, after I have caught away all who are mine and clean white, then I shall remove forever from this point until My Millennium Rein the four winds of the world.

Now for all those who declared and believe this was symbolic, hypothetical and not literal including lucifer's kingdom, now you know and this is how I make possible many of the Holy judgments I have issued against the wicked, evil inhabitants of this world.

The Black Rock Mountain shattering is a milestone marker as your world calls it Daughter, in the world of man and Earth's timeline.

The time has come! All the world's players are in place. The play's script has been written by lucifer and as they begin their performance, this is when lucifer, antichrist, and the whole kingdom of darkness will find out I have rewritten the script by Father's command and the world shall follow Our commands and not those of the kingdom of darkness.

Everything from this time forth shall be on the set path and course that cannot be changed or altered. Thus I have spoken, and this shall be, because Father has placed all things into My hands. As I told you Daughter, I started them, I created them, and I shall finish them to complete fruition.
