

The Time of Consummation, Aliens, & the Mark 7-11-26@7:18 AM Shared 7-14-26

Consummation definition: the ultimate completion, fulfillment, or climax of God's redemptive plan rather than an abrupt ending. Also called the Grand finale.

Daughter, beloved Daughter, hear Me what I say. The time of consummation has arrived. The time of consummation.

The time for the truth of all that has been promised to come together as one and be fulfilled, the promises to My children, My promises to the world found written inside the pages of My Holy Word. These that be remaining, are now to be, seen to be. For My Word must be fulfilled, because I have spoken and it is so, by My Father's command.

The time of consummation has come, has arrived upon your world, Daughter, it has come.

All creation groans for deliverance from the weight of sin that sits and weighs upon it from the evil actions of mankind, and the evil kingdom of darkness. I am their Deliverer, just like I am the Deliverer of those who are Mine.

Those who My Father has given Me can never be fully broken. It's by their deaths in times past, their unmovable and undeniable faith in Me that did not waver when put to the test of faith with many of them being put to death, that faith and resolve in others rose to stand for My Father and Me. Why? Because those who are Mine cannot be taken out of My hands or My Father's, for We are One.

It's the time of consummation, the consummation of all that's written inside the pages of My given Holy Word to man as it was originally given and received by man through My Holy Spirit, the Spirit of Truth.

I send to you, world this warning, My time has come. My time has come to fulfill My Great Day of Wrath upon the world and its evil inhabitants. The Earth's inhabitants refer to mankind, the fallen ones, to everything that lives and breathes inside your created firmament.

The time for revelation of revealing the truth has arrived. After the world receives for many, the fallen angels and others of their kingdom as the fake aliens with wide open arms, causing many to worship them, the truth will be revealed. The unshakable truth and proof to the whole world of all who still remain that they could not have possibly traveled through outer space. Or even by the portal doorway technology some are aware of already to come to your world.

Their worship, the willingly given worship of the fallen ones and others as the fake alien saviors of the world shall begin to be withheld. Some will still bow their knee to them because of their assistance they shall give in the recovery of the world into a more livable state. But men's hearts are evil and self-centered and that will be mostly all the state of those found in the world at this time. They will turn on the fake aliens refusing to worship them freely. Their cruel, evil nature shall soon surface. Worship will then turn more fully upon the man of sin, for it is written the

whole world will follow after him. Except for those who are Mine whose names are found in My Book of Life.

The truth cannot ever be fully hidden or buried. Truth shall always break forth, because it's created by Me, by My Father's command. He is truth! He cannot lie! I am truth! I cannot lie! The Holy Ghost is the Spirit of Truth, He cannot lie. So it is the truth of all things that the world and all that's created inside the firmament that shall always break forth and cannot remain hidden.

Hear Me Daughter, I exist in all things as Creator of all by My Father's spoken Words. So all is created in truth and truth is ingrained into everything. It's like My Father's Name that can never be removed out of man's DNA. Neither can it be removed out of any part of creation. Neither can the light of Truth for I am both the light and the truth of all things that exist.

Their true nature, that of the fallen ones, no matter how good the facade or planned deception, when someone cries out earnestly for the truth to be seen and revealed, it shall break forth into a physical reality, because it exists in all things too as I do.

Daughter, this is why deception can't stay hidden, or lies remain buried. When something that is hidden is revealed, it's brought to the light by My truth found in the building blocks of this world and all I have created at My Father's command. When you realize this Daughter, you will understand why truth will prevail and truth shall always stand against the scrutiny of others and all things.

When the world enters the tribulation, it will be the greatest time of deception as man will follow after the antichrist with his seductive words of lies, as well as the fallen ones and the past fake gods already worshiped upon the Earth.

It's the time for the mark of the beast's deception too. All who take it will make the conscious choice to do so, but even in all this deception, truth shall prevail. Part of the punishment that those who take the beast's mark, will be an instant realization of what they have done. They have chosen to forever be disconnected, separated from their God and Creator.

Next, they will become like the fallen ones who will live their final days on the Earth knowing what they have done with reoccurring nightmares of the torment in the Lake of Fire to come, even before this time has arrived. For the greatest pain and torment shall be found inside the Lake of Fire and shall be when the door is shut and locked by Father's command and all inside can never feel the Creator's love and presence inside them, or the eternal Lake of Fire. I shall finally give them what they thought they wanted. A place where I am not found.

During the tribulation, those who have taken the mark of the beast shall always realize all the deceptions they have embraced as their minds are joined into antichrist's collective hive of minds. They are not disconnected or separated from My presence at this time, as your world movies and books have described, but once a person makes a choice to take antichrist's mark of the beast that person becomes accursed. They become a walking, living abomination, for they will have permanently joined their minds to the antichrist, the fallen ones, the nephilim in the

collective hive mind in a connection that cannot be severed. They have now become accursed by Me. The accursed thing cannot be forgiven.

I left the example of Achan in Joshua's days for all to read, recognize, and understand. The fallen ones are accursed. The nephilim are accursed and the man of sin, the antichrist will be accursed and he is already by Me. For when the mark is taken, it is only given after one renounces and rejects Me openly and publicly. When this is done, I shall reject them. The mark is really a stamp of ownership forever granted to lucifer and his kingdom.

These are those who shall reject Me, Jesus Christ for the last time. And these are those who once the mark is taken shall soon learn what they have done as My truth is revealed in the world. It will not happen immediately, yet they must be allowed to declare the wonders of the beast's mark to others of how great it is.

Then the people joined together in mind, one by one like what is already found in the world of man who worships lucifer, who worships satan, it's good, even made to be deceptively beautiful at first, until the dark nature and the cruel torment of their false gods is revealed. By this time they're in too deep to get out by themselves and this time there is no escape route. I will not save them for they have already rejected Me, Jesus Christ the only way to escape, to have their minds joined into one being with the dark kingdom. This is the hidden truth that awaits all who take the antichrist's mark.

Daughter, hear Me. Not even the kingdom of darkness understands the full results of the mark I have foretold would come to be. The mark is ready except for that one last piece, the one newly created frequency that will be allowed for antichrist's control of his collective hive mind.

Daughter, why would the antichrist need to maintain control of all when he is connected to them in the collective hive, because, the whole world will follow after him, they will worship the man of sin?

They will take his mark, but once inside the collective hive mind, the truth of all these things shall become known. Worship will no longer be given freely to him, but their knees shall bow by his command, but this is another aspect of the mark that's been mostly kept secret and hidden. You will worship the beast once joined to him by his mark either willingly or unwillingly.

Many will lose their minds after joining the collective hive who have taken his mark as the truth is being revealed. Because always in the minds shall be the unforgettable truth that they refused, rejected, and denied the true Savior of the world Jesus Christ, for this is what I am to mankind, but also for creation as well.

As time progresses toward the later days of the tribulation, many who have taken the antichrist's beast mark shall begin mutating in their bodies from that which was human to that which is not. From that which was in the flesh of a man, to that of a monstrous creature, a hybrid in nature. This is what many of the DNA changes and mutagens given unknowingly to the inhabitants of the Earth in advance have been preparing their bodies for.

It's not only to keep their bodies from rejecting antichrist's mark, the mark of loyalty some will call it, but to change the bodies of those who take the mark into a super strong hybrid that can be used in the ranks of antichrist's forces in the battle of Armageddon.

This is because lucifer and his kingdom have deceived their own selves into believing they could change the written outcome of the battle of Armageddon. Thus preventing the end of their rule, My Millennium reign from coming forth, and the Earth from being fully purged by fire as a new Earth and Heaven inside this firmament are created. They are wrong!

Yet it had to be, so they will continue to the end as Father and I knew they, in their arrogance would, and now seeing and they shall be forever removed, confined to the Lake of Fire with all who served them forever more. Just like My Father said it would be. Why? Because He is God the Creator and they are not. He is all knowing and they are not. In their arrogance and own self-deception, they condemned themselves again and fulfilled their part of the written Word's completion just like My Father said they would do.
